## SPRING

JUNE 9<sup>th</sup> 9AM-10PM - Open Qualifiers

- | \$10 Admission: Free for registered participants
- | @ 12PM - Qualifiers
  - 150 Skaters, 3 per jam, 3 minutes each
  - Top 10 skaters advance
    - 1st place qualifier advances to Semi-Finals.
    - 2nd - 10th place qualifiers advance to the Real Street Qualifiers.

The vector here would be better with color to it. (The vector is not included in this version but you will see it later. I had it in Black & White.)

I need to bold dates and times that are not in the title.

The font size in for the body type can be made smaller.

You should experiment with the Leading, Indent, Spaces before & after, font choice, and font size.

Experiment with color. It can make this piece stand out more. Using yellow could work really well because of my hat.

The skewed title and the border that goes around me was liked.

Keep an eye out for widows. Check for spelling mistakes as well.

Consider using borders, vectors, textures, and other various shapes. It might make this stand out more.
